

# ERWIN ENSURES

## OUR COMMITMENT TO OUR VALUED CUSTOMERS

Hotel Erwin, in conjunction with the commercial cleaning experts at Ecolab<sup>®</sup> has created a cleanliness and sanitation plan designed specifically to keep our guests safe throughout the COVID-19 pandemic.

---

### CLEANING PRODUCTS

Hard surfaces are cleaned using Ecolab 14 Plus Antibacterial Cleaner (EPA approved effective against viruses such as COVID-19)

### CLEANING STAFF

Retrained to emphasize the sanitation of high touch point areas (such as remote controls, door handles, and light switches)

### CLEANING FREQUENCY

Lobby and public spaces are cleaned every 30 minutes

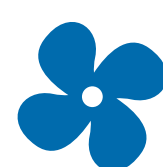

### ELIMINATION OF RESUSABLE ITEMS & COLLATERAL FROM GUESTROOMS

### GUEST ROOMS

Thoroughly sanitized daily after each stay

### HVAC SYSTEMS

Double the frequency of cleaning and changing of the air filters

### SANITIZATION STATIONS

Disinfectant wipes and hand sanitizer station have been added
