

ERWIN'S JANUARY RECOMMENDATIONS

TAKE A TRIP TO THE SHROOM ROOM

Ever had a shiitake latte? How about a mushroom and charcoal lemonade? It's all possible thanks to Four Sigmatic's expert team extracting superfood (legal!) shrooms into coffees, elixirs, and more. Try them out and purchase your favorites at their shroom room on Abbot Kinney Boulevard! *Flash your Erwin room key for a 15% discount!*

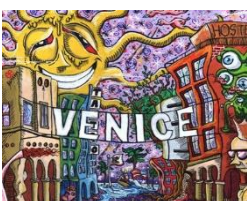

HANG TEN WITH HELP FROM OUR NEIGHBORS

Surfing is a classic Venice Beach activity, and Venice's mellower waves are great for beginners. The Venice Breakwater is located a short walk from us, and our friends at J's Rentals across the hotel are happy to set you up for a day full of (hopefully not too many) wipeouts with a local instructor. *Let them know you're friends with Erwin for a 10% discount!*

TRIM THE HOLIDAY FAT

2020 is upon us, and we know you're definitely not one of those people who only gets back on the grind in January (don't worry, we won't tell)! *Head down to the front desk to grab a complimentary Gold's Gym pass* and go explore the iconic flagship location. Lift, take a class, or simply snap a picture outside to show your friends that you stopped by!

EXPERIENCE DALÍ WITH A VENICE TWIST

Ever wondered what it would look like if Dalí worked off the Venice Beach boardwalk? *Boswell* at the front desk recommends walking a few steps over to Dunkees on Windward Ave. to witness artist Daniel Militonian's take on famous characters with a twist. If you've got the moolah, he may draw up a twisted and magical version of you!
