

Balcony

The floor plan shows a large, irregularly shaped room with a thick black outline. At the top, there is a rectangular area labeled 'Balcony'. In the bottom right corner, there is a smaller rectangular area labeled 'Bar'. The main room has several doorways: one on the left side, one at the bottom center, and one at the bottom right. There are also some small black rectangular shapes along the top and bottom walls, possibly representing windows or furniture.

## Larry's Loft

Total Space: 1,100 sq ft
